## WELCOME

We want to take this time to thank and welcome each one of you here today to worship the Lord. If you are visiting we invite you back the next time you are able and would ask if you would stay a brief moment so we might get the chance of meeting you and welcoming you here in person. Again Welcome!

Looking for a church home? Would like to set up a group or personal bible study? Have a need or know of someone who does? Want someone to talk to or just have someone to listen. Please take the time to meet with us we would love to know how we may serve you.

Reminder to download our free church app and stay connected. Its easy to download on your phone or smart device. Find us in the app store at ucoclawton.

I hope everyone had a great and safe Holiday. At this time of year it gets pretty busy and things go so fast. So now it is time to start our New Year together and bring more glory to Him in 2019.

Let me ask a simple question. Do you see God working? In your own Life? Here at University? In someone else life? Can you answer the why or why not? Often times when we find we do more of the talking than doing we can miss out with what God is doing. This example is shown by Jesus to even some who have been the closest to Him His own disciples. WE sometimes can be guilty with seeing God working when it is right under our nose. Lets examine where our heart is today when following Him.
