We want to take this time and thank each one of you for being here today and if you are visiting welcome you back the next time you are able. If you are visiting we would also ask if you would remain after services a brief moment so we may get the chance of meeting you and welcoming you here in person. Again thank you and Welcome. Today is our fellowship luncheon please stay and be our guest.

Looking for a church home we would love for you to be a part of the work here. Want to know more about your faith or would like to set up a group or personal bible study. Know of a need that we can help in. Please take the time and visit with us we would love to know how we may serve you. Sign up for a free video library. Tons of resources.

Every time a new year comes it's a time of reflection from the past year a excitement of new things on the horizon possible resolutions with a fresh start to a new beginning. With all of these ideas starts with us first. But how honest are we with ourselves is the question. Because if we are not honest with ourselves how can we be honest with others let alone with God. So we want a fresh start with God. We want a stronger faith. Lets see how honest we are with ourselves first before going further. Then this New Year we can begin a much stronger faith in Him when we come clean with ourselves. Reminder that scriptures for todays lesson are found on the back.
