I never want this to sound old. But I hope all of us have made the decision and the commitment to do more in the kingdom this year than we have in the past. We have been challenged in this New Year to go way beyond what we ever had.

Last week I brought up lessons on being fruitful and challenged all of us to bear even more fruit in the coming year and secondly I wanted us to look more at our commitment to fellowship. It is very important to our Christian life and to our work here. Fellowship is not thought by some the "extra" we need in our Christian life. No in fact it ranks very high on what we do everyday. Let's again look at our example in Acts 2 and verse 42 again. "They were continually devoting themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer." Notice right after teaching and before the breaking of bread and prayer (which we know is very important) we find fellowship....What is fellowship? It's our common life together.... Our common goal. It's our "Partnership" another meaning for the word fellowship found in the New Testament. If you are already committed to this effort may the Lord continue to bless you. If not know that you are welcome and invited to be with this very loving body of believers that meet here, willing to encourage each other as we continue to serve Him.
