WELCOME

We want to take this time to thank each one of you that is here today to worship our Lord and Savior Jesus Christ. If you are visiting us today we would like to invite you back the next time you are able and would also ask if you would remain after services a brief moment so we might get the chance of meeting you and welcoming you here in person. Again Welcome.

Looking for a church home? Want to explore your faith a little more? Interested in a group or personal bible study? Need some assistance or know of someone who does? Please take the time to meet with us we would love to know how we may serve you.

Sign up for our free video library. It's a great tool and resource. See the office for details.

Ever not "Feel" like it. Sure we have many times I suppose. But what about our faith? Do we come or not come based on our feelings? Based on what God will or will not do? What temperature is our faith? Hot, Cold, Lukewarm? We live in a society that's heavily based on our feelings. But should our faith reflect that. Today we are going to look a little closer on the subject and see where we are at with our feeling or not with God. Remember scriptures used in todays sermon can be found on the back.
