We would like to take this time to welcome each of you to services here at University. It is such a great opportunity to come and worship together. If you are visiting us today we invite you back the next time you are able and would ask if you would remain after services a brief moment so we might get the chance of meeting you and welcoming you here in person. Also everyone please stay for our fellowship luncheon that will be after services in the SLC.

Looking for a church home? We would love to have you serve with us. Have a question or would like to set up a bible study? Have a need or know of someone who does? Please take the time to meet with us we would love to know how we may serve you.

Don't forget you can stay connected by downloading our free app. Find us in the app store by searching ucoclawton.

Save the date. We will be having Mike Mazzalongo presenting a 2 day seminar March 9-10 a Saturday and Sunday called "Spirit & Truth". More information to follow.

Throughout our lives you hear 2 approaches about God. One of law and one of love. The question I want to explore today is it one or the other or is it both? Today lets examine some texts we can hopefully bring a better picture to where God wants us. Remember all scriptures used in today's sermon can be found on the back.
