Good Morning!

If you are visiting us today we are so glad you have come our way. Please make yourselves available so we can introduce ourselves and welcome you before you leave.

Today I will be speaking about how we can start putting the gospel on display through marriage. More and more these days we have become a private society. We have become a generation of "cocooners." We have privacy policies for everything from school to medical care to our finances- and for the most part, these are good; they are set up to protect us. But as Christians we are to express our faith and not hide it under a bushel, put a fence around it, or caller ID it. We often become a product of our society and have let not only love but marriage be defined by culture or even ourselves instead of biblical definitions. What was marriage designed for? Ourselves?

Today I will be asking you to consider the kind of aroma or fragrance your marriage emits in reference to 2 Corinthians 2. Just like influence, whether we like it or not we all have a fragrance. Is it for good or bad? Lets all take a good look at what our marriage scent is like and start to realize that, just like our personal lives, we are not our own. We have been bought with a price. We often say, "may people see Christ living in us." Now lets add marriage to that phrase.

Eric

*If we noticed little pleasures
As we noticed little pains;
If we quite forgot our losses
And remembered all our gains;
If we looked for people's virtues
And their faults refused to see
What a comfortable and happy,
Cheerful place this world would be!*

In case you missed Wednesday night....

18 Then Jesus came to them and said, "All authority in heaven and on earth has been given to me. 19 Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, 20 and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

One of the most fascinating sites to visit in our nation's capital is the Tomb of the Unknown Soldier in Arlington National Cemetery. For 24 hours a day, 365 days a year, a platoon of 30 honor guards protects the tomb through rain, snow and even hurricanes! It has been guarded every minute of every day since 1937.

A single sentinel takes his post carefully, walking exactly 21 steps then pausing for 21 seconds before turning around and continuing his duty. The number 21 is in reference to the 21 gun salute, which is the military's highest honor given to a soldier. When the changing of the guard takes place, the orders are passed from one soldier to the next – "Orders Remain Unchanged."

As we enter into a new year, the world is rapidly changing before our eyes! Through wars and rumors of wars, the upcoming elections, the economy – one thing hasn't changed — our orders from Jesus to preach this gospel of the Kingdom to every one! Let us continue to stand guard, watching and being ever alert of the times in which we live, and never forget that our "Orders Remain Unchanged." With so much work to be done, let's be sure we enter 2012 with our priorities intact.
