This winter season has been interesting to say the least with snowstorms coming early on Sunday mornings now twice this year having us to cancel services. It's a difficult decision to make coming from the eldership who consider the safety for our members having them not get out and risk accidents. We hope many of you understand and we will do our best to notify the membership through phone calls, social media, announcement's on channel 7 and if any question arise over weather concerns please contact myself or any of the eldership we would be glad to answer those questions or concerns. Thank you for your understanding.

We have a couple of resources I want to remind everyone that is available. First we have some new tracts in the tract rack that is found in the room by the south entry door which is also our resource center. Feel free to take these and, pass those out to friends or family. There are several with different topics and subject matters these can be a great tool and resource. In Case You Missed It

Exodus 16:14-16 When the layer of dew evaporated, behold, on the surface of the wilderness there was a fine flake-like thing, fine as the frost on the ground. 15 When the sons of Israel saw *it*, they said to one another, "What is it?" For they did not know what it was. And Moses said to them, "It is the bread which the Lord has given you to eat. 16 This is what the Lord has commanded, 'Gather of it every man as much as he should eat.

When Moses led the Israelites out of Egypt I'm sure several million people were wondering, "How am I going to be fed? How am I going to survive in this wilderness?" Imagine the logistical nightmare. An incalculable quantity of food and water were needed to survive in the desert. Where would it come from? Yet, in this seemingly impossible situation, God provided! He provided Manna from heaven. When the people first saw the Manna on the ground, they wondered in amazement saying to each other, "What is this?", which is exactly what "Manna" means in Hebrew — "What is it?" They were receiving the food of angels, [Psalm 78:24-25] which sustained them the entire time in the desert. But we know what happened as time passed...the people got used to this miraculous provision, began to take it for granted, and even be bored with it, and, of course...the wonder of God's supernatural provision evaporated. Israel lost sight of the miracle that God was doing in their lives each and every day. Each and every day is a miracle from God. Each day of our lives we walk through a world filled with the wonders and glory of the Lord. But we, too, can become dull and lose the wonder of all that He has done and provided for us, even our very salvation. We need to awaken to the daily miracles of life, and to the never ending opportunities the Lord is opening, to pour His love into us, and through us. As we do, may we always be saying to ourselves, "Wow — what amazing love is this that's been give to me!"
