A warm and special welcome to each of you as we come together to worship the Lord. If you are visiting we are certainly glad you have come our way and would invite you back the next time you are able. If you are visiting we would ask if you would remain after services a brief moment so we might get the chance of meeting and welcoming you here in person. If you are looking for a church home, want to study the bible, have a question of us, want to know more about the work here at University we would love the opportunity to sit down with you. Again Welcome!

I want to remind everyone about our 2 day Marriage Seminar March 6th and 7th. Friday night for 2 hours and Saturday morning and going until just after 2 pm with lunch provided. This is open to everyone and we have put the word out to invite family, friends, neighbors to take advantage of some great insight to help everyone's marriages no matter the anniversary dates. I want to point out this is not just for newlyweds, or those struggling with marriage. This is great for every marriage and singles included for those who may one day get married. Help spread the word, make plans to attend and bring a friend. If you are coming please contact the office for meal preparations and for child care for those needing this during the event.

Our focus in life is to get ourselves and as many we come in contact with to "Follow" Jesus. It's the great commission! We have been studying what it means to follow in Wednesday night class. But how well do we do the inviting? At what stage can I follow Jesus? Does it really include "everyone" and what if they don't respond right away? Today lets examine a little further on what it means to follow Jesus.
