A warm welcome to each of you today. If you are visiting us we are glad you have come our way and invite you back and would also ask if you would remain after services so we might get the chance of meeting you and welcoming you here in person. If you want to know more about us, have a question, want a bible study feel free to contact me at the office any time. Again Welcome!

I first want to take this time and thank Weldon for filling in for me this past week, If I have heard nothing else I at least now know the difference between a hummingbird and a buzzard. In fact it was the first question asked to me. Which are you? It certainly got many of you talking and I'm sure just as Weldon suggested you won't forget it. Thanks again.

Today our text is found in John chapter 8 where we find a lot of attention is given upon a woman caught in sin, the Pharisees charge against her and to Jesus and Christ's silent response and him writing in the sand. But this time instead of just reading this as another account or a bible story I want us to feel and find ourselves connected in the story. We are there! and not just as a observer or spectator. We are to see God's point in the story for all of us. That's why this story remains for us today. What can I learn from it? How can this cause me to grow? After hearing this message I want us all to look at the story a little more differently than we have in the past and truly see yours and my story. John 8:1-11.
