

the art of 
marriage[®]
 getting to the heart of God's design

Mark your calendars!

Friday March 6th and Saturday March 7th we are presenting a 2 day marriage seminar open to everyone married and single (those who wish to be married). It's a 6 session DVD course Friday night from 6 pm-8:15 pm and Saturday from 9 am-2:15pm. (lunch provided) Child-care available.

We all know that marriages are under attack these days and talked about from every viewpoint. But how does God see it? Does he care? He should, He instituted it! So the eldership here at University want to equip those we love with biblical information concerning this very important subject.

The Art of marriage weaves together expert teaching, real life stories, and more to portray both the challenges and the beauty of God's design. In the Art of Marriage over 40 ministry leaders provide the biblically centered teaching while couples who have struggled in marriage openly and honestly share their stories of pain, loss, forgiveness and grace. Its information we can't afford to pass up. The Lord says "My people are destroyed from the lack of knowledge". We want to equip ourselves and our friends and neighbors so invite them to come as your guest.

Material is available by calling and reserving it from the office
 Lunch is provided
 Childcare available by calling the office

We hope everyone makes plans to be there to take advantage of such great information.

If you have any questions you may call the office at any time we would be glad to answer any questions you might have. If you can't make it also see the office and how we can get you to see this on your own and on your time and schedule.

We want to take this opportunity of welcoming you here to University, we are so glad you are a part of our worship this day. If you are visiting us we welcome you back and hope you have felt right at home. If you are visiting we would ask if you would remain after services so we might get the chance of meeting you in person and welcoming you here. If you have a question of us, if you are looking for a church home, would have a interest in a bible study or in need of assistance feel free to get with us. We would love to serve you.

This is our final week to remind you of a exciting 2 day event called the "Art of Marriage". It is Friday and Saturday March 6th and 7th. We want to help couples understand God's plan for relationships. The Art of Marriage weaves together expert teaching, real-life stories, humorous vignettes, and more to portray both the challenges and the beauty of God's design. In The Art of Marriage, over 40 ministry leaders provide the biblically centered teaching while couples who have struggled in marriage openly and honestly share their stories of pain, loss, forgiveness and grace. Its perfect for any marriage at any stage. We also invite singles it's a great resource that is provided free and lunch will be provided Saturday afternoon. If you have any questions or would like to know more please get with us. Invite your friends, neighbors and co-workers.

What is LOVE? Now that's a question right? Can you define it? When God tells us to Love one another what does He mean for us to do? The topic is as old as the bible but what we will be looking at today is love that is demonstrated by God. The wonderful news about the Good News is that God did not just define love, He demonstrated it so we too can Love as He has loved us. Lets examine our hearts and see if we can take the challenge of ONE and lets see how it only takes one to see the differences in ours and others lives.
