

If a man is too busy to meet to
Worship God twice on Sunday
And once on Wednesday night,
He has more business than God
Intended for him to have.

Greetings and if you are visiting with us today we are grateful you have come. We hope you feel welcome and invite you back whenever you are able. We love visitors!!

We have started a new quarter and I am leading the morning auditorium class starting at 9:30. I hope everyone of you will make a point to attend class. Why? The main reason is for your input. The best bible class is when you are there. I love when we can share God's word together. This next quarter I will be teaching from a book entitled "Lord, Change My Attitude Before It's Too Late. We all may be tempted to think that our attitudes are not that important, that what really matters in life and to God is our actions. We will find that's not true. We don't have to go very far in the bible (Numbers to be exact) to find that God is willing to kill off a whole generation of His children during the wilderness wanderings over..... ATTITUDES. So join me as we find out more about our attitudes and how we can not only make them better but pleasing to the Lord...Before its too late.....See you Sunday Mornings

Eric
