Welcome, If you are visiting with us today we are so pleased you have come and would invite you back to be with us to worship God, sing songs of praise and learn more from His word as we grow in love for Him and one another as we continue to serve Him!

Today I would like to share and encourage you in your walk to FINISH. As Paul wrote at the end of his life "I have fought the good fight, I have finished the race." So much today we have those who have given up, lost hope, dropped out and not finished.

No matter what is going on in your life today, and there are some pretty serious things.... when we look back a year from now, 5 years, 10 years, what will truly matter is did we finish. Our job here is not only to finish the race but to encourage others along the way. We will be looking a little closer to second Timothy chapter 4.

We are just a few weeks away so SAVE THE DATE!!!

**THE ART OF MARRIAGE**

The first thing I thought of when talking about the "Art of Marriage" is.....I am already married. That's not the point really. A lot of times we miss the message by thinking marriage seminars are for young couples, singles who are thinking of getting married or those struggling with marriage. This program is for everyone. Will there be information for the single person...Yes...and we want you to come...Will there be information for the person married for a long time...Yes...We would love for you to attend. We will see God's design for marriage and that the primary purpose of marriage is to reflect God's glory to a watching world. We will see that there are differences and weakness that push us apart but the gospel brings healing and reconciliation. God designed different responsibilities for men and women in marriage. We will learn about conflict and resolutions and that to leave a godly legacy we must think about the impact of our lives on future generations. I hope you will join us starting Friday March 16th at 6 p.m. If you have any questions feel free to ask and if you would like a workbook see me in advance please.
