## WELCOME

We want to welcome you here to University its a place where you can learn more about where you are in your steps of following Him, a place where you can grow, and share lives together and be a part of what God wants from all of us. We thank those dedicated to His work here and for those who come and see what this is all about. If you are visiting we welcome you here and invite you back and we request if you would remain after services a brief moment so we might get the chance of meeting and greeting you in person. Again thanks and Welcome.

Looking for a church home we would love to have you visit with us about it. Want to set up a group or personal bible study. Need some assistance or know of someone who does. Please take the time to meet with us.

Reminders. Tomorrow is Monday Night for the Master be our guest and come and see what it is all about. We encourage you to get involved in His work. If you want a bulletin sent by email each week you can sign up with the office. We are very excited to add a church App on your smart phone which includes a bible App in it. It also connects to our website and those we support all by the touch of a button. Go to the App store or google play and search ucoclawton-oklahoma to find it there. Pass it on!

Our review and question this morning will be why did Jesus come to earth not just to save but come as a man. Why not just destroy Satan after the incident in the garden. Why not be God to all UP there is what some others belief ask. Why was it important for Jesus to come to earth as man. Today we will explore that question more to add a even more of a appreciation of our Lord and Savior Jesus Christ. Remember scriptures used in todays sermon can be found on the back.
