

IS WEDNESDAY NIGHT IMPORTANT TO YOU?

IF you think of Wednesday night as “preparation time” for Sunday, it should be important to you.

IF you think of Wednesday night as “a learning experience,” it should be important to you.

IF you think of Wednesday night as “mid-week hour of power,” it should be important to you.

Consider briefly the significance of worship:

It is obedience to a divine command.

It is a means of nourishing the spirit.

It assists in achieving spiritual growth.

It encourages others in their spiritual development.

It shows the world where my priorities are.

It is one means of expressing my love for God.

It is an avenue God has provided by which I can praise His name.

It is the offering of spiritual sacrifices.

It is a way of showing my thanksgiving to God for all He has done for me.

It is a period of communion with God with the world shout out entirely.

It is an experience that should make the heart of every Christian glad!
