Welcome to our services here at University! Everyone has a important role as we look to serve Him in our lives. If you are visiting a special welcome to you, as we are glad you have come our way and would invite you back and would ask if you would remain briefly after services so we might get the chance of meeting you in person. If you have any questions or would like to know more about us, want a study, or want to know how you can get involved with the work here, please feel free to contact us anytime. Again we are so glad each one is here today!

Do we understand that we that are Christians have been called to a purpose? You and I were "called" and for a "purpose" And if so what is it? Peter will show and remind us that it is "Discipleship" Its what He died on the cross and paid the ultimate price with His own life the text today says with His own body. The cost of discipleship is redemption, then we find in our lives that our cost is found in returning to Him with crisis in our life and lastly there is a process of discipleship which is found in righteousness our verse and text is found in 1 Peter 2:21. Look at what Peter says "For you have been called for this purpose, since Christ also suffered for you, leaving you an example for you to follow in His steps, To follow Him, have we heard that before? Follow Me. GO and make disciple's. The question we can ask ourselves is are we? And how am I following Him. Our study text today is found in 1 Peter 2:21-25.

Hebrews 13:20-21 Now the God of peace, that brought again from the dead our Lord Jesus, that great shepherd of the sheep, through the blood of the everlasting covenant, Make you perfect in every good work to do his will, working in you that which is well pleasing in his sight, through Jesus Christ; to whom be glory for ever and ever. Amen.

Have any of you felt used?.....and what I mean by that is not in the bad sense but used in a good sense and for greater purpose. While on the road to Damascus, Jesus appeared to Saul, blinded him and directed him to go to Damascus. There, God spoke to Ananias of Saul and told to lay hands on this troubled man. Ananias did as he commanded and Saul was filled with the Holy Spirit, healed of his blindness and immediately baptized. In another instance, while Cornelius was praying, God sent an angel to tell him "Go and find Peter and he shall tell you what ;you need to do." Cornelius, along with his household and friends, did what he commanded, and God used Peter to bring them all into the Kingdom! God could have easily brought both Saul and Cornelius into the Kingdom without the intervention of any believer --- but that was not His plan. He used Ananias, Peter and countless others to finish what He had already started! Where does that leave us? You and me well in the same way, God wants to include us in His plans! Why he tells us to Go and be ready in season and out of season. He is wanting us to speak to people in our families, neighborhoods, offices and everywhere else we go! He may have been drawing them and wants us to be a part of their salvation! God wants to use us and we are his sheep and know His voice and hear what He wants us to do. Let's start being used by the Lord more for His great purposes ---
