We want to take this time to thank everyone of you for being here today in worship of our Lord and Savior Jesus Christ. We are glad you are here. Believe me when I say that you really do make the difference in other peoples lives. If you are visiting us today we are so glad you have come our way and we ask if you would remain after services so we might get the opportunity of meeting you in person and welcoming you here. If you at any time have a question of us, want a bible study, looking for a church home or are in need of assistance please let us know.

This will be our 5th Sunday preachers exchange today. Tonight please welcome Rodger Schwenn from Sullivan Village Church of Christ as I will be attending the Northwest congregation. Please let Rodger feel very welcome.

Today we will be talking about blindness. Not the taking of ones literal eye sight but rather the spiritual blindness that still exists today the kind of blindness that causes anyone the "willingness" or desire not to see. When we think of this age old problem we tend to think of the Pharisees and that would also be correct. So what can we learn from them because it really is a condition that can be developed in any of our hearts if we are not careful. What can we do to guard against it? And how can we recognize it in our own lives? Today lets be open with ourselves and see if we have any spiritual blindness that we can start to rid in our lives.
