A very warm welcome to each of you and especially to our visitor's. If you are visiting us today we are glad you have come our way and would ask if you would remain after services so we might get the chance of greeting you in person. Again Welcome!

Today most of the world will remember Jesus on the cross, Him crucified and rising from the dead the third day. Others will think of an Easter Sunday a little differently with new outfits, candy, eggs and chocolates and some others unfortunately won't think on it at all. I am at least glad that some have at least thought about and talked about our Lord and His death, burial and resurrection at this time when it should be all of our focus not only every first day of the week but every day of our lives! Today I want to take us back and look at the 3 different response's to the cross immediately after Jesus breathed His last found in 3 of the gospels and at the end of our lesson today ask ourselves each and every one of us the all important question, in light of what they saw and how they reacted How Do I View The Cross?
