Hello and welcome to the services today. If you are visiting today, we are so glad you came and we welcome you back to join with us to Glorify God in worship with a body of believers that meets here. If there is anything we can do to help you whether its a need, a concern, a prayer, a study, a question. We would like for you to ask us today and let us know what is going on in your life and let us greet you today before you leave so we can get to know you a little better. If there is someone here that has any questions feel free to come and ask and remember the leadership here is praying for you all.

I have been very excited to share some thoughts of our morning bible class and its MY true desire to keep growing (whatever growth stage I am in). I have not finished the race I am still fighting the "Good Fight" We have been studying ATTITUDES. under the title "Lord, change MY ATTITUDE before its too late." from Dr James MacDonald. We have been studying on replacing an attitude each week. We have looked at replacing a Complaining Attitude with a Thankful Attitude. From a Covetous attitude with a attitude of Contentment. We will be further looking at replacing a Critical attitude with a attitude of Love, a Doubting attitude with a attitude of Faith and a Rebellious attitude with a attitude of Submission and to end a " Change" everyone of us battle with and to help us all make "Change" before its too late. If you have not joined us yet, Its not to late. I would love having you here with us. Thank you so much for your prayers and lets keep growing together with an attitude of in love for Him and with Him.

**Are you studying the Bible regularly?**

In Case you missed it

Romans 16:25-27 Now to him that is of power to establish you according to my gospel, and the preaching of Jesus Christ, according to the revelation of the mystery, which was kept secret since the world began, But now is made manifest, and by the scriptures of the prophets, according to the commandment of the everlasting God, made known to all nations for the obedience of faith: To God only wise, be glory through Jesus Christ for ever. Amen.

Colonel G.W. Goethals, the man responsible for the completion of the Panama Canal, had major problems with the climate and the geography as it was being built. If that wasn't enough to deal with, he had an even bigger problem. It was the growing criticism back home from those who predicted he'd never finish the project and had opinions about how to do it better. One day, a colleague asked him, "Aren't you going to answer all these critics?" "In time," his partner asked....."When?" "When the canal is finished.

We, who know Jesus and have given our lives to his purposes have a big task at hand — a bit bigger, I would say, than the building of the Panama Canal. There is a world of people who are hungry to know God and it is really up to us to show them who he is and the time is short. But our climate and geography may not be ideal and people around us might be critical, but our task still remains — and we who love God must all contribute and stay focused! Yes, we may come across some obstacles along the way but we cannot let them distract us. If you haven't been focused on sharing the Good News to the lost, let's take this opportunity and make it a goal today. If each of us led only one person to the Kingdom, can you imagine what a difference that would make? Let's make it a point to lead at least one person to the Lord by the end of this year...Remember people are searching — it's not as hard as you think if we remain focused!
