WELCOME

We would like to thank and welcome each of you here for worship to our Lord and Savior Jesus Christ. We extend a warm welcome to any who are visiting us today. If you are visiting we would ask if you would remain after services a brief moment so we might get the chance of meeting you and welcoming you here in person. Again Welcome!

Looking for a church home? Have a need or know of someone who does? Would like to set up a group or personal bible study. Please take the time to meet with us we would love to know how we may serve you as we serve Him.

Reminder to download our free church app and stay connected plus have access to your very own online bible.

The word covenant is not used much these days. Real estate still have covenants. Marriage is still considered a covenant or contract between two parties. We in the church have the old and new covenant from God. What are they? What do they mean? How does God view them. Today we will examine a little closer with Gods covenant with us if we choose to enter into that relationship. Scripture references can be found on the back.
