We are so glad that each and everyone of you have come here to worship our Lord and Savior Jesus Christ! If your are visiting we want to extend a very warm welcome and ask if you would remain after services a brief moment so we might get the chance of meeting you in person and welcoming you here. Again Welcome to everyone! As many in the Jewish faith just finished celebrating Passover I thought this would be a good opportunity to examine some things that are observed in a Passover Seder that points directly to Jesus Christ! A Seder is the ceremony conducted during Passover and the word literally means "order" and these observances that are put in order have a direct link to our Lord and from that Jesus himself replaces the Passover and instituted what we now observe as the Lord's Supper which we here observe every first day of the week. After our study I hope each one of us are able to appreciate this great sacrifice even more than we have in the past not only for today but for every day of our lives as we look to love and serve Him and others more.

IN CASE YOU MISSED IT

Jeremiah 29:11 For I know the thoughts that I think toward you, says the LORD, thoughts of peace, and not of evil, to give you an expected end.

We often develop strategies, game-plans, life-plans – and then, at some obstacle or critical point, we need to learn to think and say to ourselves – "Just stick to the plan!" Life is always sending unexpected surprises, but praise God, nothing takes Him by surprise. He's the master planner. Our family might turn against us, our friends let us down, illness, afflictions, problems and "situations" on every side...God still has a plan, for you, and for me. Joseph is a prime example of life's surprises. It took 13 years of endurance and character-building for him to fulfill this part of God's plan. Sold as a slave into Egypt by his own brothers, betrayed and imprisoned he must have wondered a lot where God was and what He was doing. But finally, as a prepared vessel, Joseph was placed in the highest position in the land, second only to Pharaoh, and commissioned to execute God's plan for saving the world from famine. So the Lord had surprises of His own. Revealing himself to his brothers, Joseph summed it up beautifully: "You intended to harm me, but **God intended it for good**, in order to bring it about as it is this day, to save many people alive." (Genesis 50:20)

When our situations are difficult to handle and downright impossible to explain, we need to remind ourselves that God said, "I know the plans I have for you." Through these situations we discover how faithful and sovereign He truly is. He knows what we can handle and He will never give us more. When the test is completed we come out with character, stronger in faith, more in love, more useful to Him, and ready for our next test. But do we believe and have trust in Him. The fact that we have problems is a sign that we also have a promise. It's only a matter of time before God reveals His good intentions – until that time lets all just **stick to the plan! His !!!**
