We are glad to see each one of you here today to worship our Lord and Savior Jesus Christ. If you are visiting us today we are especially glad you have come and would like to invite you back the next time you can. Thank you for being a part of this body of believers that meet here.

We have all heard the expression "if you are going to talk the talk walk the walk! So often we find ourselves talking a good talk don't we? Having all the plans or hearing the plans but not getting in the game so to speak, knowing the right information to "do" and not do what we should be doing as opposed to just doing them and living them. Even our Lord gave the example of "going" along with the disciples as he taught them with what we could call on the job training. Do we sit in a class or a pew and just hear about doing or are we doing something about it. Lets take a more action approach with our Christianity and start living it authentically and truly letting our light shine.
