

2 Peter:3:9

9 The Lord is not slow about His promise, as some count slowness, but is patient toward you, not wishing for any to perish but for all to come to repentance.

John 8:9-11

9 When they heard it, they *began* to go out one by one, beginning with the older ones, and He was left alone, and the woman, where she was, in the center *of the court*.  
10 Straightening up, Jesus said to her, "Woman, where are they? Did no one condemn you?"  
11 She said, "No one, Lord." And Jesus said, "I do not condemn you, either. Go. From now on sin no more."

John 8:5

5 Now in the Law Moses commanded us to stone such women; what then do You say?"

Luke 12:5

5 But I will show you whom you should fear: Fear him who, after your body has been killed, has authority to throw you into hell. Yes, I tell you, fear him.

## WELCOME

We want to welcome you here to services at University and invite you back the next time you are able. If you are here visiting or are here for the first time we invite you to remain after services a brief moment so we might get the chance of meeting you and welcoming you here in person. Again we hope you have felt welcomed today. Thank you for who you are and are in Him.

Looking for a church home? Interested to know about your personal walk with Jesus Christ? Have a question or would like to have someone to talk to or pray with you? Interested in a personal or group bible study. Please take the time to meet with us we would love to know how we may serve you.

"Move Night" I am glad so many are asking about the showing of our presentation of "Gods Wonders" coming up on May 13th. Invite someone you know, tell them about it. Maybe its been sometime since they have come to church and this is a good way to invite them to something not so intimidating like a movie night. I believe this will take your belief in God as CREATOR to a whole new level. Make plans to attend so mark it on your calendar and invite a friend.

Second chances! Who doesn't like them? I think we would all have to admit we like the opportunity if given it. Today we will be reminded that it is God who has given us right now even today a second chance. To either follow Him. Come back to Him. Repent and turn away from something and choose to walk in His ways. The good news for today is that our God is a God of second chances but as long as it is called today. There will not be a second chance when it is all said and done or the Lord returns then some things have been finalized in our lives and there will be no second chance that is a time when so many will be looking for one and at a time where it will be too late. Lets examine ourselves today to see if we need to take a second look at a second chance today and will to turn around and make full use of it.

**Daily Inventory**

When evening comes, go off into a quiet place and review your day.

Have you been kind and thoughtful or mean and thoughtless?

Have you kept an even temper, or have you lost your temper when things went wrong?

Have you inspired those whom you have met, or have you depressed and discouraged them?

Have you done something creative and worthwhile, or have you wasted the day with petty things?

Have you been fair and square in what you have done?

Have you increased the happiness in the lives of others, or have you thought only of self?

What we do day by day determines what we become. Hour by hour we build our lives for better or worse. A daily inventory will help keep us on the right track, headed toward our highest ideals.

**In Case You Missed It**

**Hebrews 11:30 By faith the walls of Jericho fell down after they had been encircled for seven days.**

When we read chapter 11 in Hebrews we find a link of faith to action every single time...By faith and then a name and then a story is recounted. So is this example and think of this after spending forty years in the wilderness, the children of Israel crossed into the Promised Land arriving immediately to face what seemed an impossible task. Imagine receiving the instruction by God to march around the fortified city seven times, Really? In our own minds wouldn't we question that command out of being illogical....and then finally be commanded to shout with all your might and sound the horn! It seemed like such a ridiculous warfare strategy...and yet, this time, they followed the instructions, marching around the walled city of Jericho and on the 7th day, after 7 rounds, witnessed the miraculous collapse which opened the way to victory. By obeying the voice of the Lord in faith was met with His supernatural intervening power. So what is the lesson, what can we learn? I simply do what God asks, what he says, follow His instructions, then putting our faith into action! Faith that works is true faith, and it reveals the awesome God whom we serve when we serve. Respond to God's word obediently, no matter how ridiculous it may seem, what we feel and if it fits in my schedule. Trust and obey and obedience we find is greater than sacrifice.
