

Our lives are in God's loving hands

In everything we do- -

He is with us constantly,

He always sees us through.

And if our faith is strong enough,

We'll never walk alone,

For with His great and perfect love,

He takes care of His own- -

So any time that trials or burdens

Seem to come your way,

Find strength and hope in knowing

God is with you every day.

A warm welcome to each and everyone today. If you are visiting us we are glad you have come our way and encourage you to remain after services so we might get the opportunity of meeting you and welcoming you in person. If you have a question of us or if we can be of any assistance feel free to contact us. Welcome!

This week is a very special time and memorable moment for three of our High School graduates! Travis Burch, Mitch McLaury and Richard Squires. We are so proud of them and their accomplishments and what they have done and wish them best of luck in their futures. We will be celebrating with them and honoring them with a celebration at the SLC after evening services, all are welcome to attend and it will be a great time for you to congratulate them in person please make plans to attend.

The warning of guarding against a harden heart is given in Psalms and again is repeated in Hebrews chapter 3. The Lord makes a simple request. "When you hear the voice of the Lord do not harden your hearts" and then goes on to say like those of old who rebelled in the wilderness. If it can happen to those who believed and followed the Lord at one time can it still happen to us today? The simple answer is yes but the question we need to be asking ourselves today is, Is my heart being hardened? Can this be happening to me right now? And how do I guard against it. Our text is found in Hebrews 3.
