A warm and pleasant welcome to each and everyone of you this morning! We are glad you are here to worship the Lord. If you are visiting we are very glad you have come our way and welcome you back and ask if you would remain after services a brief moment so we might get the opportunity of meeting you and welcoming you in person. We would love the opportunity to serve you!

So many times we hear not to "forsake" the assembly. But why is that? Why do we say that to others? What benefit does it serve if any? And does it have benefit in my and your life? Are we just keeping records of attendance and has it become a phrase we use as we tell our children that they should eat their vegetables and never let them understand the meaning accept because we said so. Often times we miss the text and the whole intent of what the Hebrews writer is trying to tell us in chapter 10 where this phrase is found. We need to find out why this is a encouragement and a better understanding of it and not make it a direct command as we so often make it. There are so many reasons why we shouldn't forsake the assembling of ourselves and it begins with thinking of others and should not be based on just ourselves. Our text is found in Hebrews 10.
