We want to take this time to thank each and everyone of you for being here today whether you are visiting us or are a long time member you each play a important role in His kingdom. If you are visiting we invite you back the next time you are able and would ask if you would remain after services a brief moment so we might get the chance of meeting you in person. Welcome! If you have a question of us, looking for a church home, want to set up a personal bible study or are in need of assistance please take the time of meeting with us. We would love to find out how we can be of service to you as we all look to serve Him more!

I wanted to inform the congregation that the Churches of Christ disaster relief effort group who we have supported over the years had shown up on Monday at the Cache church of Christ with a semi load of items to drop off in fact \$89,466.66 dollars worth of items to help those flood victim's in and around Cache. Everything from food, to cleaning supplies, water, mops, tarps, trash bags, among other items. It was so good to see a group we have sent support show up in our back yard so to speak. May God be glorified in this effort and pray that maybe a door be opened for the church and its outreach in this way and effort.

As parents we all have a dream for our children. From the day they were born we wanted them to be healthy, do good in school, get a good job, find a good spouse and so on. Our heavenly father also has a dream for each one of His children. So the question today is what does God want more than anything else? The answer is You! Lets look more at how we can develop and further our relationship with Him.
