We especially want to welcome our visitors and invite you back the next time you are able. If you are visiting today we would also ask if you would remain after services a brief moment so we might get the opportunity of welcoming you here in person. Again thank you and welcome.

Have you ever wondered what you would feel like if you witnessed a true miracle. I know we use this word to describe things all kinds of what we call a miracle even to when baby's are born is described as a miracle. I understand what is meant but what about the kind that is found in the bible. Would it change us? Make a lasting impression? There was one time we will discuss today that even when His disciples saw 2 really big miracles back to back in the same day and not only did they not get the message their hearts were hardened like those of the Pharisees which suggest a rebellion of not wanting to know. How can that be? Because don't most of us feel if we saw a miracle today we would serve God the rest of our lives. Be so dedicated. Lets see if we can learn from the disciples mistake. Our passage is found in Mark and remember scriptures used in today's message can be found on the back.
