In Case You Missed It

1 Kings 8:27 But will God indeed dwell on the earth? Behold, the heaven and heaven of heavens cannot contain thee; how much less this house which I have built?

Perhaps you’ve seen pictures or have even visited the Western Wall in Jerusalem, what many believe to be the last standing Wall of the Second Temple. But people come from all over the world to pray there and put their prayer notes into the cracks between its stones. Believe it or not, there are a few websites which advertise their desire to receive your faxed prayer requests — and for a low, low fee of 29.99, will take and put them into the cracks of the wall for you! What a bargain! And even though this is a very nice gesture and all — who needs it? God is ALIVE! He hears us whenever and wherever we call! When Solomon set out to build the first temple, the Lord told Him that He cannot be contained in a manmade structure. He is infinite and all-encompassing! He’s not in a wall or any other man-made object! Its yet another advantage of the cross we receive not only for the forgiveness of our sins but on that victorious Day the veil was torn to the holy of holies and we now have direct access to our heavenly Father through Christ and his sacrifice and amazing and as infinite as He is, He promises to draw near to us as we draw near to Him! God wants to have a deep and intimate relationship with us. He wants us to experience the life-changing power of His healing and deliverance in our lives. Let’s not get distracted by the man-made ways people try to connect with God — let’s cry out for intimacy with Him right here and right now because Christ has afforded us to do that with His great sacrifice.
