

JESUS CHRIST:

The Light for those in darkness

The Way for those stumbling and lost.

The Hope for those separated by sin.

The Truth for those surrounded by lies.

The Life for those who face death.

The Solid Rock in times of distress.

The Peace That Passes All Understanding

for troubled minds and hearts.

WELCOME

We would like to take this time to thank each of you for being here to worship our Lord and Savior Jesus Christ. We are so glad you have chosen to be here and invite you back if you are visiting. If you are visiting we would like to invite you back the next time you are able and would ask if you would remain after services so we might get the chance of meeting and greeting you in person. Also please stay and be our invited guest for our fellowship luncheon over at the SLC following services it's a great time to get together in fellowship with one another. Again Welcome.

If you are looking for a church home, have a question of us, would like to set up a personal or group bible study need assistance or know of someone who does please take a moment to get with us we would love to see how we may serve you.

I want to thank Josh Mallow for filling in last week and Monte Jennings this week. Its great knowing we have capable men filling in the pulpit when needed. Just a brief note from the North. We have arrived at our annual destination in Michigan with great weather and good accommodations and are thankful for the time off. One small observation after all of us agreeing that this trip is way too long miles wise and just when you start having second thoughts of the amount of travel and asking oneself "If this is really worth it." Just after being here a few days all of those doubts went away and it indeed is SO worth it. Most vacations you want the sense of getting away from it all to relax and recharge and we have found it here and I guess its why we come back as often as we do. The fresh air, Gods creation all around for us to see and enjoy and as I sit here in complete silence only a songbird outside keeps me company. God is AWESOME! And one final comment for all who are already tired of the heat it will be 73 for a high here today. We will soon be with you again and can't wait to share more of our experience's and the church's presence here in this region. May God bless and have a good week.
