PARABLE OF THE VACATIONING CHRISTIANS

Now it came to pass as summer drew nigh that Mr. Church Member lifted up his eyes unto the hills and said:

“Lo, the hot days come and even now are at hand. Come, let us go unto the mountains, where cool breezes refresh us and glorious scenes greet our eyes.”

“Thou speakest wisely,” replied Mrs. Church Member. “Yet four things we must do before we go.”

“Three things I can think of,” responded Mr. Church Member.

“We must arrange for our flowers to be cared for, our pet to be fed, and our mail to be brought in, but the fourth eludes me.”

“The fourth is like unto the first three, yet more important than all,” Mrs. Church Member replied. “Thou shalt dig into thy purse and leave your weekly contribution that the good name of the church shalt be preserved and that it may be well with thee. For verily I say unto thee, thou hast more money now than thou wilt when thou dost return.”

And it came to pass that Mr. church Member left his weekly contribution for the summer, and the church treasurer rejoiced greatly, saying, “Of a truth, there are those who care for the Lord’s work.” And it was so.

A warm welcome to each of you that made the decision to worship with us today we are grateful you have made that choice and are with us today. If you are visiting us we welcome you as our guest and would invite you back the next time you are able, we would also ask if you would remain after services a brief moment so we might get the chance of meeting you and welcoming you in person. WELCOME!

If you have a question of us, need any assistance, want to learn more about your walk with Him, want to set up a bible study or looking for a church home. Please get with us we would love the opportunity of sitting down with you and visiting with you about what’s going on in your life.

A BIG thank you to the elders, congregation and those who filled in for me (Weldon, Charles, Bryan) for allowing my family a little going away and getting away from it all this past week for vacation. It was a wonderful time spent in Michigan just relaxing and recharging the batteries so to speak. We were blessed with great weather and great fishing. (Enough for two fish fry’s on the lake! I will never forget this trip it was one to remember found in another piece of God’s Country. THANK YOU!!

It seems so easy to drift doesn’t it? We didn’t plan on it, its just happened. Peter in 2 Peter gives us the ultimate warning of drifting and why we should not when he paints the ultimate picture in the end when all of this will be burned up. In this text he asks us to be on our guard so we will not be carried away or fall from our steadfastness. Drifting may cause us to loose our steadfastness. Today lets be encouraged to keep fighting the Good fight as Paul wrote and live our lives with the END in sight.
