For most people a lot of times it seems the focus when someone dies is going to Heaven. Now first let me state that there is nothing wrong with that mind you. I too want to go with all my heart, but my question is, is that all. Is Heaven just a place to go to when we die? Who will be there? Is all the concern is what type of mansion will I have or will I be able to fish or golf or do the things I like. Today we will focus more on Who is in Heaven that we are to desire over just the location. Lets start using different language to express where truly our heart is. Remember scriptures used in todays sermon can be found on the back.
