

Scriptures Used in Today's Sermon

Romans 1:20

20 For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been made, so that they are without excuse.

Matthew 6:26

26 Look at the birds of the air, that they do not sow, nor reap nor gather into barns, and *yet* your heavenly Father feeds them. Are you not worth much more than they?

Job 38:26-27

26 To bring rain on a land without people, *On* a desert without a man in it,

27 To satisfy the waste and desolate land and to make the seeds of grass to sprout?

Matthew 10:29-31

29 Are not two sparrows sold for a cent? And *yet* not one of them will fall to the ground apart from your Father.

30 But the very hairs of your head are all numbered.

31 So do not fear; you are more valuable than many sparrows.

WELCOME

We want to take this time to THANK YOU for being here today to worship our Lord and Savior Jesus Christ especially if you are visiting. If you are visiting we would also ask if you would remain after services briefly so we might get the chance of meeting you and welcoming you here in person. Again welcome.

Looking for a church home? Would like to know more of a spiritual walk with Him? Interested in setting up a group or personal bible study? Need some assistance or know of someone who does? Please take the time to meet with us we would love to have the opportunity of serving you.

Again my family and I would like to thank the congregation for some time off to enjoy our annual summer vacation traveling back to Michigan. It was a enjoyable rest with good weather, (much cooler and the reason we go now) good fishing, food and fun. We were also able to worship with a few congregations while we were there to give and receive great encouragement. We had the pleasure of meeting Dave Grant who we support with his television ministry "Let the bible Speak" which plays all across Upper Michigan. It's a great work and reaches a lot of those who may not get the chance of hearing the gospel. Keep Dave and the Escanaba congregation in your prayers. Again Thanks.

A year ago while on vacation I remember hearing about Weldon presenting a lesson on "Vultures and Hummingbirds" which I heard was quite memorable. The name should grab you alone. Well today we will look at "Sparrows and Gods Love." Lets see how can we see God in nature a little better and see why Sparrows are brought up so much in Jesus teachings. What about sparrows as one good friend relayed to me no one cares about Sparrows except God. That was the inspiration for this subject today. I hope you will see that we are never to low or far from God that He does not notice and as the bible says "cares for us" Sparrows and Gods Love. Passages for this message can be found on the back of your bulletin.

In Case You Missed It

John 10:10 The thief comes only to steal and kill and destroy; I came that they may have life, and have *it* abundantly.

A recent study by researchers at the University of Pennsylvania and University of California Los Angeles wanted to find out, "if you had to choose between more time and more money, what would it be?" While they found most respondents answered, "more money", they also found that those who preferred "more time" were generally happier! When I read this article, it reminded me of a story, that I'd like to share. A wealthy businessman was shocked to see a fisherman sitting beside his boat, playing with a small child. So the businessman asked, "Why aren't you out fishing?" The fisherman replied, "Because I've caught enough fish for one day." "Why don't you catch some more?" the businessman further inquired. "What would I do with them?" asked the fisherman. "You could earn more money," said the businessman. "Then with the extra money, you could buy a bigger boat, go into deeper waters, and catch more fish. Then you would make enough money to buy nylon nets. With the nets, you could catch even more fish and make more money. With that money you could own two boats, maybe three boats. Eventually you could have a whole fleet of boats and be rich like me. "Then what would I do?" replied the fisherman. "Then you could really enjoy life," answered the businessman. The fisherman looked at the businessman quizzically and asked, "What do you think I'm doing now?" Let's not get so wrapped up in a world and not be able to enjoy any of it. We simply forget to enjoy life — the life that He wants to give us more abundantly! Take some time out this week and be sure to praise God for the life that He's provided.
