WELCOME

We would like to take this time to welcome each of you here to services at University. We are glad you have come our way and if you are visiting welcome you back the next time you are able. If you are visiting we would ask if you would remain briefly after services so we might get the chance of greeting you and welcoming you here in person. Again Welcome!

Looking for a church home? We would love to have you talk more about this. Know of a need or have a need yourself? Want to know more about expanding your relationship with Him while studying with others? Please take the time to visit with us we would love to know how we may serve you.

This is our 5th Sunday preacher exchange and we welcome Steven Hill from Sullivan Village. I will be attending NW for the evening service.

As we talk about our faith today. How expanding is it? Is it still or is it stretching out like roots like a tree that is described in Psalms chapter 1. Today we will see its by our choice we stretch out our faith. By choice we plant ourselves in the right kind of soil and environment. Today lets examine ourselves a little closer and see how far we stretch out. Reminder that scriptures used in today's sermon can be found on the back.
