We would like to welcome you to our services here at University and tell each of you how glad we are to see you. If you are visiting with us today we would ask if you wouldn't mind remaining after services so we might get the chance of meeting you in person, greeting you and welcoming you here in person.

Today I want to be an encouragement to all of you with your walk with Him.. The reason being is there seems to be so much drop off with dedication and devotion to the Lord. This is not a new problem Jesus points out in the sower of the seed in Matthew 13:19-23 this would be the case. But today I want to draw our attention to what the Apostle Paul wrote to the church in Colossae. Our text today is found in Colossians 1:19-23. I want us to consider the big "IF" and see that if we remain faithful to Him until the end we will have a place with Him in heaven.

IN CASE YOU MISSED IT

The past few weeks we have been watching a series on time. I don't know if it has stuck with you like it has me but the question still remains. What are you doing with your time? And after this last lesson, what are you going to start doing with your time? And what's left of it! Our speaker Andy brought up a good point that should get us all thinking and ponder a bit. In knowing how God loves and knows us even to how many hairs we have on our head, fully knowing before I was born when I would be born and when I will depart to even my thoughts and intentions of my heart. With that knowledge of knowing you and knowing me what will and does God have to say how we spend our time, and how would he comment to how I have used my precious time. Asking us all how are you redeeming your time. He mentioned the word redeem which is to cash in for same value. I have found it interesting when you examine a coupon more closely if you will notice at the very bottom is a cash redemption value which if you have seen one isn't very much. If you go and look at one now you may smile because in reality it is not worth all that much. He drew our attention to Ephesians and asks us all the question what is your time worth? What will you be doing for the rest of your time? What are you trading right now for it? Will we be like Esau and trade our birth right for a mess of pottage? Or the equivalent of the cash value of a coupon. Or do we hold it for a much greater value? What would you give in exchange for your soul the bible asks? Even if we were to gain the whole world and lose our soul It is nothing! Ephesians 5:16 says Therefore be careful how you walk, not as unwise men but as wise, 16 making the most of your time. Why? So many like to ask the question why. Simply put by the Apostle Paul because the days are evil.
