
YOU PREACH FIRST

The first sermon preached each Sunday is not by the minister, but by you. You preach a message of good cheer when you say “good morning” to those you meet as you are parking, in the hallway and classrooms.

You preach a message of welcome when you slide over in the pew instead of forcing others to squeeze in front of you. You preach a message of hope and joy when you enthusiastically sing during the song service.

You preach a message about the power of prayer when you fervently enter into our time of prayer together.

You preach a message of love when you smile, say hello and introduce yourself to visitors. You preach a message about faith when you give on Sunday. You preach a message about the importance of the Scriptures when you open your Bible to the day’s text.

Many messages are preached before the minister stands up to bring his message. Come Sunday morning prepared to preach your best sermon.

We are so glad you have made the decision to worship with us today and want to express how much each one of you mean to the continued work that goes on here at University. Thank you! If you are visiting we hope that your visit with us has been a blessing to you and was pleasing to the Lord. If you are visiting we would ask if you would remain briefly after service so we might get the chance of welcoming you in person, again, WELCOME!

If at any time you have a question of us. Looking for a church home, want to set up a group or personal bible study or are in need of any type of assistance please feel free to meet with one of our elders or you may stop by the office during the week we would love to visit with you and see if there is anyway we can serve you.

TODAY’S MESSAGE:

As we get older we tend to appreciate things a little more don’t we? Whether its our health, a retirement, family. What about with our relationship to God? Are we appreciating Him more? Are we growing in our faith? Unfortunately when other relationship dissolve do some find it hard to trust or even have a relationship with God that they think will not last? Today lets talk more about our relationship with the most important relationship anyone can ever have and that is found in His son Jesus Christ. Have we found one in Him. Can we start today? Lets put it into real perspective and ask the question “Who is Jesus to you!”
