Welcome to University Drive Church of Christ! We are so glad you are here to worship the Lord with us. If you are visiting we would ask if you would remain after services so we might get the chance of meeting you and welcoming you here in person. Today is also our fellowship luncheon directly after services held at the Student Learning Center and offices in the building behind the back of our parking lot. Please stay with us and be our guest we would love to have you as our guest. If we can be of any service to you or can answer any questions feel free to contact us today or through the week by calling or stopping by our office. Again Welcome!

Today I want us to look more closely to what it means to “Abide” in His word as described in John 8:31-32 “Then Jesus said to those Jews who believed Him, “If you abide in My word, you are My disciples indeed. 32 And you shall know the truth, and the truth shall make you free.” Notice he said first to those who believed Him. Do we? Will we? Other words that describe Abide found in other versions of the bible is to continue or hold on to. How important will it be to be found abiding in Him when He returns? Also He adds the word “If” we abide which shows not all will it is still our choice, and finally a promise that goes with it we will know the truth and the truth will make us free. Just think “IF” we abide in Him what we can have in the Lord to make us free through His son and His words “IF” we want to be a follower of His.
