We want to extend a warm welcome to each and everyone today. We are glad you have joined us in our worship to the Lord especially if you are visiting. If you are visiting we would also ask if you would remain briefly after services so we might get the opportunity of meeting you in person. If you are in need of any service. If you would like to set up a bible study, want to take one of our correspondence courses or want some extra online material feel free to get with us we would like to pass along these to you at no cost or obligation. Welcome!

This summer marked 60 years of service to the Lord, here at University. This congregation first met Sunday June 6th 1954. From its first beginnings as 28th and Cornell to then College Church to now our current name of University Drive Church we have certainly seen many changes throughout the years and also have worked with so many great people, and some of you have remained here many years. To commemorate this anniversary everyone is invited to our "Ice Cream Social" get together after evening services at the SLC. Make plans to attend. Bring your favorite home made or store bought ice cream along with your favorite cookies to share along with some old memories. Bring a friend. Tell others to join us in this celebration as well and I hope to see you there. Weldon will be presenting our lesson that night as a reflection to share all the great memories of the past.

1 Kings 15:5 says "because David did what was right in the sight of the Lord, and had not turned aside from anything that He commanded him all the days of his life, except in the case of Uriah the Hittite. Today's lesson will take notice that God did not stop with David's sin with Bathsheba and let that define all who he was and for the rest of his life when so much today we tend to focus and define many people including ourselves based on a single event. How is God able to look at the totality of David and not exception when we in turn do the opposite so many times. Lets take a closer look today how God views us not on our failures but our lives if we are following Him and then strive to be more like David who was truly a man after Gods heart.
