

HERE AND NOW

Some think that they'll find happiness when
They get the things they have not;
Those already happy find it comes
From the things they've already got.

We would like to give a warm welcome to those who are visiting today. We are so glad you are here and ask if you would stay after services so we can introduce ourselves to you and get to know you a little better. Today is our monthly fellowship luncheon we invite everyone to stay and be a part of our "get together" at the SLC following services. Visitors please stay and be our special guests!

Today we will be looking at one very important event in Peter's life and find out that ultimately God uses less than perfect people. The bible is full of these examples so we may be encouraged. We will see that God restores broken people. Have you ever felt "broken"? Is there a sign on your heart that says this is not working, I messed up, I failed, I quit. There was a time in Peter's life that he thought the very same thing and even went back to his "old ways". But God meets us where we are at and helps us so that later we may help someone else. It is great to know that God can use even me and he can use you if we are willing to be His servant.
