We would like to welcome you to services today and invite you back to worship with us. We are grateful for our visitors and would ask if you would stay around after services so we can get the chance to know you a little better. Welcome!

Today I will be picking up where we left off last week in first John where we are following the 5 marks that make up the Christian Life. To review number One is loving deeply, a true follower of Jesus Christ loves God and people more as time goes on. Can that be seen in my life? Number two is obeying faithfully, doing more of what God wants me to do. The third mark is living authentically, its real in my life I do not have to pretend. The fourth mark is knowing completely about Him and knowing myself. And finally John gives us the 5th mark of believing consistently, knowing I can put all my trust in the Lord. After looking at these marks can I say I look like a follower of Jesus Christ? Can others see Christ "living: in me? Do I look like what the word of God says I should look like? Lets all examine our hearts and the word to see where each and every one of us are while walking in the light according to the word of God.

TRUST

Psalm 7:1 "O LORD my God, in thee do I put my trust: save me from all them that persecute me, and deliver me:"

A group of scientists and botanists were exploring remote regions of the Alps in search of new species of flowers. One day they noticed through binoculars a flower of such rarity and beauty that its value to science was incalculable. But it lay deep in a ravine with cliffs on both sides. To get the flower someone had to be lowered over the cliff on a rope. A curious young boy was watching nearby, and the scientists told him they would pay him well if he would agree to be lowered over the cliff to retrieve the flower below.

The boy took one long look down the steep, dizzy depths and said, "I'll be back in a minute." A short time later he returned, followed by a gray-haired man. Approaching the botanist, the boy said, "I'll go over that cliff and get that flower for you if this man holds the rope. He's my dad."

His whole assurance was based in the fact that he trusted his father. The same can be said for us because our Heavenly Father wants us to place our entire trust in Him and is pleased to show His faithfulness, we can trust Him to hold us even when it seems we may be on the very edge!
