WELCOME

We want to take the time to thank and welcome each one that is here today. We are grateful you have come and if you are visiting we would ask if you would remain a brief moment so we might get the chance of greeting you and welcoming you here in person. Please stay as our guest for our monthly fellowship luncheon that will be held directly after services in the SLC building behind the parking lot of the church. All are welcome to attend.

If you are looking for a place you call home, we would love to sit down and visit with you. If anyone has a need or know of someone who does please take the time to meet with us so we are notified. Have a desire to go further and know more about your relationship with Him by setting up a group or personal bible study. We would love to share with you in this desire. Please just get with us at your earliest convenience we would love to know how we may serve you.

We are so glad to have Chris Miller and his wife Melinda join us for evening service to give his report of the work in New Zealand. He will be giving us a power point presentation of the work there. Since Chris only comes back to the states every 2 years we are so excited that he will be joining us to give his report and look forward to fellowship with him. Please come back for evening services to find out what is going on the other side of the world.

How important is the Church today? How important is the Church to you? What does she mean to you? The examples in the NT shows how easy, how often and how quickly a church can drift. Today lets see where our hearts are in this very important subject since Christ is coming back to get "His Bride" the church. Reminder that Scriptures used in today's sermon can be found on the back.
