

Something To Think About: SENSIBLE THOUGHTS FOR THINKING PEOPLE

When a farmer stops plowing his land, and stops planting any seeds and harvest no crops, he has stopped being a farmer because he no longer does the things that identify him as a farmer.

When a Christian stops attending the meeting times of his Lord's family, stops studying, and stops taking the Lord's Supper and no longer cares how he lives and what he says, he has stopped being a Christian because he has stopped doing the things that identify him as a Christian.

Could this possibly be you????
