WELCOME

We are so glad you made the decision to worship with us today. If you are visiting we are happy to see you here, invite you back and ask you to stay a brief moment afterwards so we can have the chance and opportunity of welcoming you here in person. We are a body of believers that want to live out what the word has to say about our lives. If you have questions of us or want to know more please take the time to visit with us, give us a call or drop us a note. Thank You!

Interested in a personal or group bible study? Looking for a church home? Want a large video library you can access anytime day or night. Please let us know if you are interested in signing up. Know of a need that we can help in. Please let us be aware. We want to know how we may serve in His Kingdom.

Remember the mail out postcards we have for you to mail out and send out. Please be thinking of some individuals we can mail these out to. You can take some to mail out yourself or address them and leave them for us to mail for you. Lets see how many more we can reach. Be praying for this effort as well.

Are we who others think we are? Labeled us as? Are we who we think we are because of our past? There seems to be some pushback for the "New" that's talked about in the bible isn't there. The whole turning over a new leaf doesn't seem to fit sometimes for us and for others but we should start to see ourselves as God sees us. Can we? Will we? Where is your identity found and in? Today's sermon scriptures are found on the back and room for you to take notes.
