Welcome to University Church of Christ. We are so glad you are here to worship our Lord and Savior Jesus Christ. If you don't already have a relationship with Him or know Him we invite you to investigate more into who He is and who He is to you. If you are visiting we would welcome you back the next time you are able and would ask if you would briefly remain after services so we might get the chance of meeting you in person and welcoming you here. Again Thanks!

If you are looking for a church home, have a question of us, want to set up a group or personal bible study to see where you are in your walk in Faith in Him we invite you to sit down with us. If you are in need of some assistance please get with myself or another elder we would love to know how we may serve you.

Today we will be talking about what its like to be double minded. What does it mean when it says double minded? Is being double minded really a big deal? I say that because we can multi task so much these days or so we think. There are a lot of choices in the world today so I can ask what do we focus on more in life the Kingdom or life itself? Am I torn with my devotion between the two? There is a danger a real danger of being double minded in 2015. Lets see if we can examine ourselves and each one find where we are in Him.

THOUGHTFUL WORDS

How many words have you spoken this day
Designed to encourage and cheer?
How oft may I ask when you went out of your way
To gladden the hearts of those near?
You may lift a burden and lighten some load
Make sadness and gloom disappear,
By being more thoughtful of others nearby
Through a word that is warm and sincere.
