## WELCOME

We want to take this time to welcome each of you here to worship the Lord today. We are grateful you have come our way and if you are visiting us we invite you back the next time you are able. If you are visiting us today we would also ask if you would remain after services so we might get the chance of meeting you and welcoming you here in person. Again Welcome to University.

Looking for a church home? Have a need or know of someone who does? Want to set up a group or personal bible study? Please take the time to meet with us we would love to know how we may serve you.

Download our free church app by searching ucoclawton in the app store. From there you can access our website. Facebook, Sermons, bible app and so much more. Stay connected on your smartphone or tablet.

Today we will all be challenged by Jesus words of taking our faith further when it comes to love when we just don't feel like it. To show love when we don't think we can. So often we justify our non action and think we have done all what the Lord expects. Today lets dig deeper in our walk with Him to find out if we really do want to transform into His likeness or are we content staying in our old ways. Trust me the Lord is not waiting to change you when you get to heaven. It may not work out that way. We transform into His likeness today and then remain faithful. Reminder that all scriptures used in today's sermon can be found on the back.
