Welcome to the University Drive Church of Christ we are so glad you have come today to worship the Lord and we hope that you have given and received something today. If you are visiting we would ask if you would remain after services so we might get the chance of meeting you in person. If you have a question, want to set up a bible study, want to go through a correspondence course, have any questions of us we would love the opportunity to meet up with you or you may call us or contact us through the week at our office. Again Welcome to all! We are so glad you are here.

A special thank you for those who stayed and helped during our Area Youth Gathering this past Sunday night. We had 45 in attendance and was glad to share a time with the youth of our area getting together to show them that they are not alone in following God. Thanks again we couldn't have done it without you! The next area youth gathering will be at 8th and Lee in December, Youth plan on attending!

What does it mean to leave God, fall away, knowing what we know? As the bible puts it has "tasted" the good things from God. What did it mean for Satan and his followers to leave and forever? Today we want to take steps to guard something that is capable in all of us because of "Free Will" our Lord will not make us follow Him, or make us love Him. There is a difference in the degree from how much we know. Take for example Satan he saw everything and walked away while some haven't tasted anything at all and that's why we are to spread the "good news". But what about me? What about you? How much have we tasted and how motivated are we to keep fighting the good fight as Paul puts it. Lets encourage one another this day.
