We want to take this time to welcome you to University church of Christ. We are glad you are here and hope that you will come back again the next time you are available. If you are visiting we would also like to ask you to stay and invite you to our fellowship luncheon that will directly follow our services at the SLC that is located in the building right behind our parking lot. Please be our guest we would love the opportunity to get to know you a little better.

Tonight marks another 5th Sunday where we have been supporting the rotation of hosting congregations and tonight we will be supporting Sullivan Village church of Christ on the east side of town on SE 45th street. This will also be a good way to support the start of their gospel meeting as well with guest speaker Ben Bailey. The topic discussed will be "Back to the Bible" and why its so important now more that ever to go back to the bible to find the answers for our life. I hope you can attend Sunday night and also throughout the rest of the week in support of this gospel meeting in our area. Please pray for their efforts in this meeting as well.

I often think that many of us miss the message of a blood sacrifice. The true one that answers the wages of sin is death and that our sin that is mine and yours is actually worthy of death without Christ. I know I don't think in those terms very much, But for those in the old testament times understood it very well. In fact their reminder was a graphic demonstration and realization every day and every year. Year after year in fact it involved repetition not remission and reminded them that God remembered their sin. The Hebrew writer concludes the illustration and takes us back to where our focus is, the cross and the ultimate sacrifice of Christ and what He has done for us. Our text today is found in Hebrews 10.
