A very warm welcome to all of you. And a special welcome to our visitors and those that may be with us for the first time. If you are visiting we ask you to stay after services so we might be able to greet you, introduce ourselves to you and welcome you in person.

This morning we will be talking about discernment. The dictionary describes it as the ability to judge well. 1 John 3 and 24 says The one who keeps His commandments abides in Him, and He in him. We know by this that He abides in us, by the Spirit whom He has given us and 2 Timothy 2:15 says for us to be diligent to present yourself approved to God as a workman who does not need to be ashamed, accurately handling the word of truth. Why preach on discernment?. I believe its important now more that it ever has been. My goal today is to help all of us see the priority of scripture, to see its power. To see and know that the word is the most important life transforming nourishment for our hunger word. And then turn around and immerse ourselves in the truth so we can properly discern what is being said.
