WELCOME

We want to welcome you and thank each of you for being here today. We are so glad you have made the decision to be with us to worship the Lord together. If you are visiting we are so happy you are here and would like to invite you back and ask if you would remain briefly after services we would love the chance of meeting you and welcoming you here in person. Again Welcome!

Looking for a church home? We would love to sit down and visit with you about it. Wanting to set up a group or personal bible study to learn more about Him? Have a need or know of someone who does. Please take the time to visit with us we would love to know how we may serve you. Remember to download our free app at ucoclawton. Find us in the App Store.

Please take some of our mail out cards we have for our campaign this fall and be thinking of some you can mail to. Also we have invitation cards for you to use as well. Hand out, leave behind, have handy. Remember most won't come unless invited. Who have you encouraged this week?

Recently we have been studying being fruitful by what Jesus said by being connected to Him, the True vine. What does that mean to be fruitful? What are my fruits? Do I know? Do you? A lot of times we think of being fruitful is doing some church work. Going on a campaign, Evangelism, growing in numbers, bringing someone to Christ. Is this all it is? Is there any other type? We want to discover there are more fruits that we are to become aware of and become even more fruitful as we examine this Fruitfulness today. Reminder that scriptures used in todays sermon can be found on the back.
