We want to take this time to welcome you here to services at University. We are thankful you have come our way and invite those who are visiting us today back again the next time you are able. If you are visiting we would also ask if you would remain briefly after services so we might get the chance of welcoming you here in person. Again, Welcome to University Church we are glad you are here.

Looking for a church home? Have a need or know of someone who does. Want to set up a group or personal bible study. Please take the time to visit with us we would love to know how we may serve you.

Don't forget you can download our free church app to your phone, tablet or smart device. Just find us in the app store by searching ucoclawton.

This is 5th Sunday preachers exchange. Please welcome Garrett Bookout from NW who will be here this evening. Please make him feel welcome. I will be traveling to Sullivan Village for this evenings service.

I have heard it said that the word AWESOME should only be reserved for God. That reverent word has been so watered down. That movie was awesome, that trip or game was awesome, even that pizza was awesome. The word should be so explosive that it should go to one person and that is God. Unfortunately we don't use that word to describe God. But shouldn't it? Have we lost the awesomeness of God. Today through David's writings we will get back to awe God like we should. Thank each one of you for being here today and remember scriptures used in today's sermon can be found on the back.
