A warm welcome to each and every one that is here today, especially for those who are visiting, if you are visiting we extend a warm welcome. We invite you back and would ask if you would remain after services briefly so we might get the chance of welcoming you in person. We are so glad you are here today to worship our Lord, Jesus Christ.

Today I want to talk about God's interest in YOU! We all know that God cares for us or at least we should and He is there for us but do we not know that he also is very interested in what you do, what you are about to do? Our main scripture for today is found in Proverbs 5:21 which says. "For the ways of man are before the Lord, and he ponders all his paths". God ponders our paths? As he ponders for one shows that he cares and cares about things on a day to day basis not just what I do every so often or on Sundays. And our heavenly father is reflecting on what you will decide because he cares for us. Is that why he knows the hairs on my head, knows my thoughts. A lot of times we can think that God is up there doing God business and has left us alone. We couldn't be more incorrect. Today lets see more how God really does care for each and every one of us as we continue to follow Him!

In Case You Missed It

Hebrews 12:1-2 Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God.

In 490 B.C., the Athenians won a crucial and decisive battle over the forces of King Darius I of Persia, on a plain near the Greek coastal town of Marathon. Upon delivering the important message of their victory, the Greek soldier who came to tell the good news died — he had completed the 26 mile course running and bearing good news, and did it totally unreserved until the moment he died. Today marathons are run all over the world, commemorating that very event 2500 years ago. Anyone who has run a marathon can tell you how difficult the race is. No matter how good you are, how well trained, how prepared, there are times in the race you just want to quit. But those who persevere till the end receive a prize. Back in King Darius’ day, one would win only a crown made of laurel leaves. Today athletes compete for trophies and medals. But in God’s race, we win something far more precious — a crown that is incorruptible. I’m sure you may be tired today. You may be overworked, overstressed, overwhelmed, Be encouraged! Just when you think you can’t run any further, you can! Press through and press on for the great prize! God is with us, strengthening us and moving us in the right direction!!
