Greetings and welcome to the University Drive church of Christ! We want to welcome those who are visiting with us today and invite you back the next time you are able. If you wouldn't mind remaining after services a brief moment so we might get the chance of meeting you and greeting you in person. If you have a question of us, would like a personal bible study, looking for a church home or would like to visit with us about yourself we would love the opportunity of meeting with you. Again Welcome!

Its that time again for our monthly luncheon at the SLC directly after services this morning. Everyone is encouraged to stay and fellowship with us. If you are visiting please stay and be our invited guest we would love to have you stay eat a meal together and let us get to know you a little better. If you forgot no worries there is always plenty please stay and join us.

In life we come across encouragers and discouragers don't we. Which one are you or I? Its so easy to be the latter with a media frenzied always pointing out the negative in the daily news. They tend to focus on the faults. My question is what do we do more often. Today we will be looking at the book of Philemon a letter written to him by Paul. We conclude we don't know much about Philemon or Onesamis on what this letter was written for but for us today we get to know more about Paul. There is something we can attain by this letter written so long ago for us to gain some knowledge today. Lets see what Paul is telling Philemon and us as we study together.

In Case You Missed It

Romans 4:20,21 He staggered not at the promise of God through unbelief; but was strong in faith, giving glory to God; And being fully persuaded that, what he had promised, he was able also to perform.

A story is told of Napoleon Bonaparte. During one of his military campaigns, Napoleon accidentally let the bridle of his horse slip while he was looking through some papers. The horse reared itself and he lost his balance. One corporal quickly leaped forward and caught the bridle just in the nick of time, bringing the horse under control and saving Napoleon from what might have been serious injury or even death. Napoleon saluted the corporal and said, “Thank you Captain!” Of what company, Sire?” asked the corporal. “Of my guards,” replied Napoleon. The young corporal took his musket and hurled it aside, and walked across the field toward the Emperor’s staff, tearing off his corporal’s stripes as he went. When he took his place among the officers, they asked him what he was doing. I am the captain of the Emperor’s Guards, he replied. “By whose order?” they asked. “By the order of the Emperor himself?” He replied. A man of less faith might have been happy returning back to his ranks as a corporal and boasting for the rest of his life about how the Emperor once called him Captain. But no, He took the Emperor at his word. And He knew his potential. In the same way, some of us have been happy just hearing about the promised of God without ever laying claim to them. Others of us have never realized the strengths with which God has gifted us. We who know the Lord must become aware of our status as sons and daughters. We must believe that God has promised great things to those who love and serve him and we must also recognize the potential God has placed upon us from the beginning of time! Let’s start practicing some faith today!
